

Dial it Down Homophobic Lingo Template

Homophobia is a term that is used by people who want to make members of the gay and lesbian community feel excluded or less important than other people. People who use these words make some people feel excluded.

In this research project, you will talk to five people to better understand how often people in your community have heard these hurtful words being used.

For the following questions, tally "Yes" answers by marking a line ("|") in the appropriate box. If you have four "Yes" tally marks and need to add a fifth, use a diagonal ("||||").

Have you heard any of the following terms or phrases used before?
